November 21, 2006

TO: Don Johnson, Town Manger

FROM: Doug Halley, Health Director

SUBJECT: Illegal discharge to the wastewater treatment system

Attached with this memo is an updated summary prepared by Woodard & Curran of the additional costs to the Treatment Plant incurred by this incident. This updates the information sent previously in a memo dated November 8th.

Labor

John Parkhurst

\$960.00 16 hours overtime beyond normal working hours including weekend coverage

Brian Bourque

\$262.00 4 hours overtime beyond normal working hours

11-20-06 Update: No additional overtime required over this weekend

Hauler

\$855.00 Actual price on invoice received

11-20-06 Update

Chemicals

Alum

\$882.00 This is what we have used to remove phosphorus above and beyond what we normally use as of Monday, 11-20-06.

Soda ash

\$300.00 This is what we have used to maintain the SBR pH above and beyond what we normally use as of Monday, 11-20-06.

11-20-06 Update

Power

The electric bills for the additional blower runs will be on the invoice I get next month.

Laboratory

\$218.82 Actual price on invoice received

Supplies

11-20-06 Update

Extra sludge from

This is the tail end of the operation. Cost here is a very rough estimate on an extra 1/2 load produced due to High Alum dose throughout the remainder of November

High Alum dose

\$600.00

11-20-06 Update

Tentative Total

\$4,077.82
